“ Fran was truly a gift sent from God, and was the best friend anyone could ever hope for. Fran had a heart of gold, and was a true treasure! God brought us together over 17 years ago to help each other through life's difficult moments, and to share the victories as we both walked with our Lord and Savior Jesus Christ. The thing I loved most about Fran, was that no matter what I was going through, she always listened, then reminded me what God's word had to say about the situation. Her love was always demonstrated by the advise and answers she gave as she was careful to always point me in the direction of WWJD (what would Jesus Do!) I love ya dearly my friend, and as I told you, I will not say good-bye, but see ya soon! I know our mansions are side by side, and prayerfully Jesus will come soon, so we can be together once again.  
Love ya bunches, Kari Beem

“ Even though life took us in different directions the last few years, and we didn't see each other often, she knew I loved her. We had many special memories from our childhood and younger adulthood. Fran, her Mom and Dad ( My Aunt Phyllis and Uncle Tom) and Grandma Florence Hannon all had a big part in who I am and how I view the world. They were good, Christian, hardworking people who were good examples. I will remember them with LOVE!

Love, Phyllis Jean Warren
