

## Linda Susan Roberts

January 29, 1953 - January 8, 2019

Linda Susan Roberts was born January 29, 1953 to Franklin and Loretta Roberts in Iowa City. Linda graduated from Fort Dodge Senior High and then proceeded onto college at Iowa Central and Buena Vista University. She is survived by her daughter Sarah Roberts and two granddaughters Brianna House and Jazzmin Chavez. Linda lived in Coleman within the family home alone until she passed. She enjoyed music, movies, and creating paintings/other beautiful pieces of artwork in her spare time. She had an amazing heart that was shown through all of her creativity and love she shared with her family. Graveside and celebration services will be held at a later date.

“Here I have one of the most beautiful, amazingly talented, wonderful women in my entire world. I appreciate everything you have taught me and I will carry your kindness and love everywhere I go. I know you would want us to be happy so I will smile through the pain as I write this. You were gone too soon and I don’t think all the time in the world would ever be enough. I love you more than anything and I will forever cherish every wonderful thing you brought to this world from all the amazing art you have created to the uniquely outstanding soul you have blessed us with being around. May you fly high my beautiful, amazing, best grandmother I could have ever hoped for. I love you. -your granddaughter

“ Sarah, so sorry to hear of your mom's passing. I lived next door to Loretta and Linda growing up. She was always quiet and into music. After Loretta passed and she moved back into the house, we talked occasionally about the way Coleman had changed, our parent, etc. Again I am sorry for your loss.
