“ I’m not sure if this will reach Mary Pratt’s family, but I’d like them to know I have her dog, Billy. I adopted him from the shelter in Fort Dodge. He is settling in nicely and gets along with my Lhasa Apso, Alfie. I am 77, a retired teacher. My husband died 2 years ago. I have a son and daughter and 3 grandchildren plus 4 siblings. Mary’s obit reads much like my life. I live in Iowa City, and my name is Kerry Evans. You can reach me at 319-400-5326. I will take good care of Billy.

“ I worked with Mack at Sports Page for years. One year around Thanksgiving I mentioned to Mack that I loved pumpkin pie but I really couldn't eat it due to my diabetes. A few days later Mack brought me a sugar free pumpkin pie and told me that Mary had made it for me. It was awesome! I thought it was a very sweet gesture. Little did I know that she would continue to do it every year for many years to come. I actually only met her once for a brief moment but I will always remember her and her pumpkin pies. How she made them so delicious without any sugar I'll never know. Just want to send my condolences to the family. I'm sure she'll be missed.

“ Mary was truly one of a kind. I will miss her stories about Beans and her dogs most of all. I am so thankful for her making my days brighter at work. Her Menards family is thinking of her and will miss her tons
